Orientation

OBJECTIVE MAGNUS GRs: 17T PJ 30329 83936

- Rural site with forest
- East of highway 404
- North of TORONTO
- East of NEWMARKET

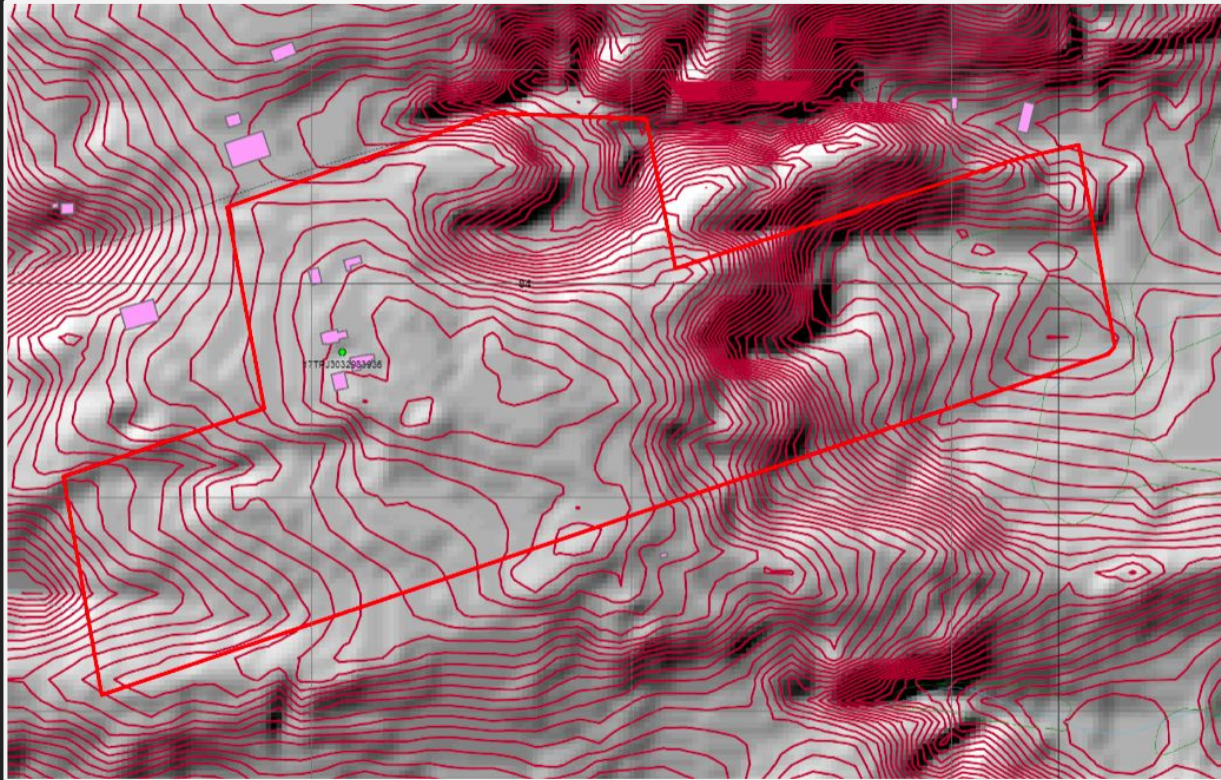

Orientation Detail

OBJECTIVE MAGNUS GRs: 17T PJ 30329 83936

- Rural farm house and barns on property
- Property stretches to HERALD ROAD in the north, PHEASANT RUN GOLF CLUB in the south, private land to the west and municipal road allowance and trail system in east.

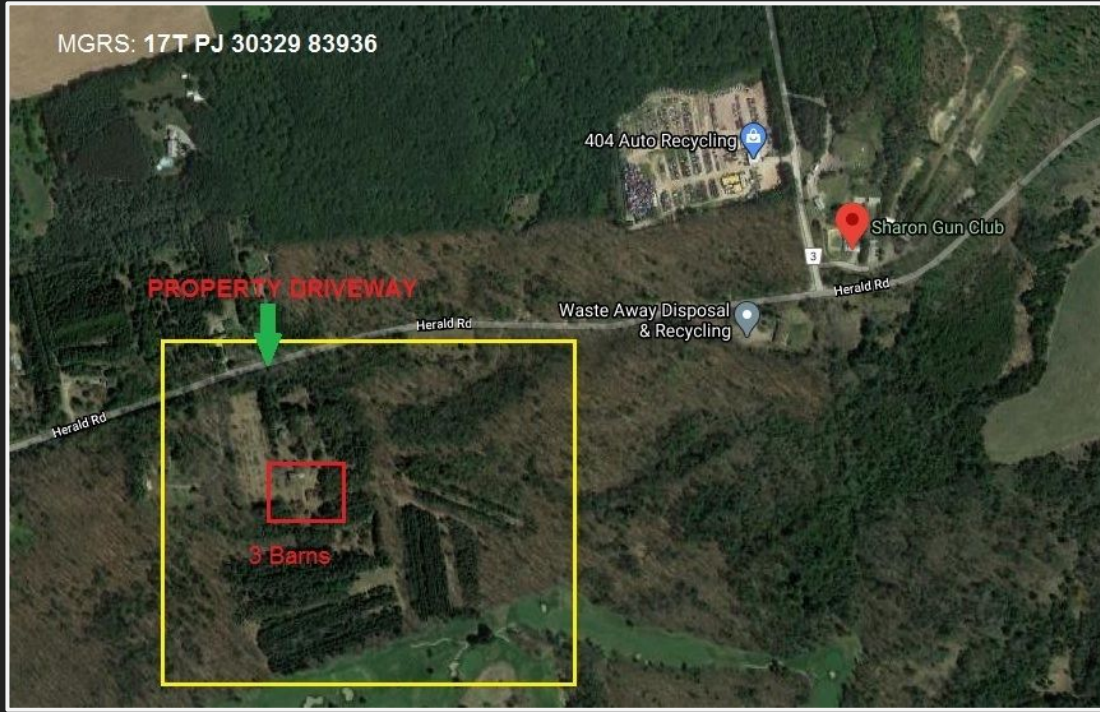

Orientation Detail

OBJECTIVE MAGNUS GRs: 17T PJ 30329 83936

- Target buildings sit on a slight rise in the terrain
- Two prominent draws leading up to rise in the north east and east

Orientation Detail

OBJECTIVE MAGNUS
GRs: 17T PJ 30329 83936

- Some topography
- Mix of deciduous and coniferous trees

Current Situation

- **Summary**
 - Intelligence officer “POACHER” was reported missing 24OCT18 while on operations against the STANISLAV PEOPLE’S ARMY (SPA) militia forces in EAST EUROPE.
 - Sources indicate POACHER is alive and being used as a bargaining tool by SPA and is moved regularly to avoid discovery.
 - Intelligence indicates POACHER may be held in the ONTARIO region between 20OCT20 and 31OCT20.
 - Intelligence identified an individual (codename YUKON) that may be working with local group MEN OF THOR (MoT) to arrange a safe house for POACHER and captors.
 - TASK FORCE 201 is established to locate and rescue POACHER from ONTARIO

Historical Context

- Political

- The current government of the country of ONTARIO was democratically in elected for a first term in 2018.
- The election platform focused on resistance to foreign influence and reduced international cooperation.
- Isolationist and nationalist principles dominate policy, legislation, and discourse.
- On 02FEB19, the government of ONTARIO formally denied all international military forces access to its territory and expelled partner nations from the country.

- Military and Law Enforcement

- Military and LE units are controlled by the government of ONTARIO and have a history of loyalty to elected government officials.

ONTARIO military logistics and armoured vehicles (ONTARIO ARMED FORCES)

Historical Context

- POACHER Abduction

- Intelligence officer was located in EASTERN EUROPE operating against SPA forces through assets and surveillance activities
- Last reported in 20OCT18 and failed to make contact during two subsequent communications windows
- Officially declared missing on 24OCT18
- Sources in region suggested POACHER was under control of SPA but no actionable intelligence was developed

- Special Missions Unit Raid and Intel

- A SMU element conducted a raid in ONTARIO on 29JUL20
- Communications devices were recovered during SSE
- Indications that POACHER may be held in ONTARIO between 20OCT20 and 31OCT20
- Indications that payments from SPA to MoT are being routed through subject YUKON

Intelligence officer POACHER (Blackline)

Special Mission Unit raid (Blackline)

Historical Context

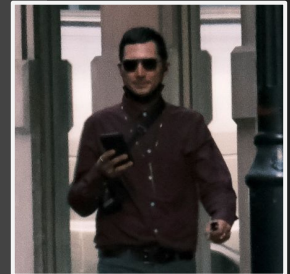

- Enemy
 - YUKON (Individual)
 - Male, 30's, caucasian, likely from ONTARIO
 - Began facilitating black market deals in 2015
 - Known connections to MoT and SPA
 - The STANISLAV PEOPLES ARMY - SPA (Organization)
 - A nationalist militia group that formed after the 2014 invasion of CRIMEA by RUSSIA.
 - Spread across EUROPE by leveraging anti-immigrant sentiment prevalent in the region
 - Connected with other nationalist groups for support
 - MEN OF THOR - MoT (Organization)
 - Formed in ALBERTA in 2017 to oppose non-european immigration
 - Has expanded into organized crime and smuggling to fund protest and political operations

22AUG20 (Blackline)

Historical Context

- Task Force 201 Operations to Date
 - 2008a BLACK BAG (22AUG20)
 - Observation of YUKON established
 - Technical surveillance installed within hotel room of YUKON
 - Room searched for intelligence
 - Search revealed intelligence that suggests:
 - YUKON is linked to the SPA
 - YUKON is arranging storage of a high value item with 'DAVE' over the phone
 - That item will be stored at a site (task force designation OBJECTIVE MAGNUS)
 - The site is located at 3453 HERALD ROAD
 - The item will be protected by 8 guards
 - 2009a SITE RECONNAISSANCE (04SEP20 to 06SEP20)
 - Site reconnaissance in planning phases

Weather (04SEP20 to 06SEP20)

- Summary
 - Sunny with some clouds
 - Low humidity
 - Light / moderate winds
 - Chance of rain 04SEP20
- Relevant Notes
 - Weather is based on 14 day long range forecast
 - [Approximate Sun/Moon]

TEMPERATURES / WIND	
High	23°C
Low	13°C
Average	18 km/h (N/S)
Gusts	27 km/h
PRECIPITATION / VISIBILITY	
Rain	10-70%
Humidity	40% - 100%
Ceiling	[TBD]
Visibility	[TBD]

SUNRISE / SUNSET	
BMNT	28 0434P APR20
Sunrise	28 0520P APR20
Sunset	28 1715P APR20
EENT	28 1801P APR20
MOON / ILLUMINATION	
Moonrise	03 2045h SEP20
Moonset	04 0854h SEP20
Illumination	98.8%
Moon Direction	95° E - 268° W

Enemy

- **STANISLAV PEOPLE'S ARMY (SPA)**
 - **Who** - A hostile international organization composed of militias across EUROPE. Membership of over 1000 individuals includes civilian and military personnel. Structure contains both a political and an an activist wing which coordinate to achieve their intent.
 - **Capabilities** - Within the activist wing, civilian membership have some training in infantry tactics and guerrilla warfare. Military membership have infantry training from country of origin. Known to utilize hit-and-run tactics during offensive operations resulting in numerous military and civilian casualties. Possesses numerous small arms and are proficient in their use. In the Political wing, membership hold some influence over local and regional politicians through lobbying, extortion, and blackmail.

STANISLAV PEOPLES ARMY uniforms and equipment (media release SPA PR, circa 2019)

Enemy (continued)

- STANISLAV PEOPLES ARMY (continued)
 - Intent - The SPA is primarily nationalist and aims to influence populations to restrict immigration. The political wing aims to initiate and pass legislation in line with SPA goals. The activist wing works to degrade government authority by conducting actions against military, political, and civilian targets in order illustrate weakness. Actively working with similar groups to achieve these goals.
 - Other Relevant Information - Utilize RUSSIAN and SOVIET BLOC uniforms / camouflage / weapons. Groups often utilize the native language of their operations country. Evidence exists of communication between SPA and MoT.

ABOVE/BELOW Weapons, equipment, and uniforms of the SPA (media release SPA PR, circa 2019)

Enemy (continued)

- MEN OF THOR (MoT)

- Who - A NORTH AMERICAN organization formed in CALGARY, ALBERTA in late 2017 with membership in ONTARIO, QUEBEC, and SASKATCHEWAN. The group is classified as a hate group by numerous countries. Membership is approximately 400 and consists of civilian and military personnel. Known to cooperate with other extremist groups. Primarily funded through ransom, blackmail, smuggling, and trafficking operations.
- Capabilities - Proficient in harassment and intimidation campaigns. Military membership often trains civilian members in small unit tactics. Utilize mostly small arms with some COTS vehicles converted to technicals. Likely to retreat if challenged but may put up substantial resistance if contained.

ABOVE Propaganda photo from MoT media (MoT PR)
BELOW Surveillance image of MoT meeting (BL/SPU)

Enemy (continued)

- MEN OF THOR (MoT)(Continued)
 - Intent - MoT seeks to stop immigration by non-europeans, with a focus on muslims. They seek to accomplish this through intimidating individuals they identify as immigrants and by promoting hatred through literature, social media, and propaganda.
 - Other Relevant Information - Often wear local civilian clothing when operating in urban areas. Members change to mix of camouflage and civilian clothing with ski masks in propaganda material or when seen at rural sites. Some evidence exists for communication with SPA

Friendly

- POACHER (Individual)

- Who - Intelligence officer operating in EASTERN EUROPE gathering information on the SPA organization. Three years of service with Blackline Intelligence.

- Caucasian male
- Brown hair
- Average build
- 6'4"
- Size 14/15 shoe
- DOB 13AUG97.
- Tattoo on left wrist (pictured, right)

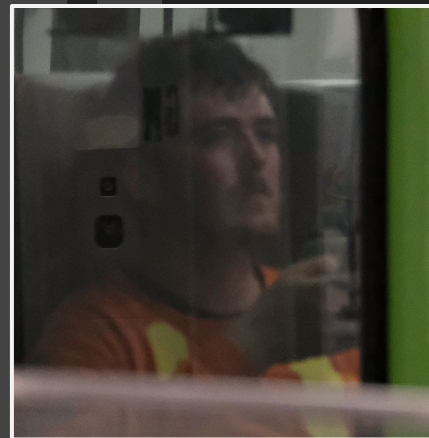

- Capabilities - Basic SERE training and small arms proficiency. Not familiar with the ONTARIO region. Knowledge of operational procedures in EASTERN EUROPE.

ABOVE - File images of intelligence officer POACHER during operations. (Blackline)

Friendly (Continued)

- POACHER (Individual) (Continued)
 - Intent - POACHER is assumed to be operating under standard SERE principles and will be looking for an opportunity to escape.
 - Other Relevant Information -
 - **PID Questions:**
 - First girlfriend - 'Chayce'
 - Favourite game - 'Last of Us'
 - **SERE Communications Notes:**
 - UHF 462.5875 mHz
 - RODEO - E&E in progress
 - LASSO - in captivity
 - Instagram [daniel_sparkles_stringer](#)
 - Round object - E&E in progress
 - Square object - in captivity

ABOVE - File images of POACHER during operations. (Blackline)

Terrain

- Geographical

- Flat to moderate topography sloping down to the east
- Deciduous and coniferous forest, including farmed trees
- Agricultural field and orchard in fallow state
- Swamp or marsh to the east

- EM Spectrum

- Heavy use of cellular devices, analog/digital radio
- Enemy known to utilize UHF in FRS/GMRS frequencies

- CBRN

- COVID-19 contamination is present
- 50-100 new cases per day, over 1000 active cases in region
- Robust testing for virus however asymptomatic cases present in region
- Surface water may be contaminated with chemicals or water-borne parasites

OBJECTIVE MAGNUS Satellite and Topographic information
(July 2019/Google, MNR)

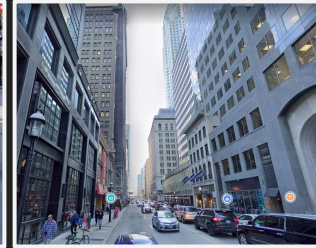

Terrain

- Human

- Diverse ethnic and socioeconomic population base in nearby NEWMARKET urban centre
- Caucasian population dominates rural ONTARIO areas
- Agricultural professions or commuting to urban centres for variety of roles
- ONTARIO citizens may disagree with political leadership but respect the democratic process and are aligned with the governing bodies
- Population is suspicious of outsiders or unusual behaviour

- Architectural

- Wood framed houses and barns with stone foundations prevalent in rural areas
- New construction is ongoing, older buildings date to 1800's

Urban population and structures (July 2019/Google)

Rural population and structures (July 2019/Google)

Assessment

- Based On

- SPA's likely possession of POACHER
- Frequent movement of POACHER by SPA
- SPA/MoT communications
- YUKON payments to/from SPA/MoT
- YUKON involvement in smuggling and trafficking
- Audio and physical evidence gathered from YUKON hotel room
- YUKON arranging a secure location by phone
- Intelligence indicating POACHER may be in ONTARIO
- The government expelling foreign military teams
- Loyalty of the MIL/LE forces to the government
- The population of ONTARIO suspicious of foreigners and unusual activities
- YUKON, MoT and SPA involvement with criminal activities
- MoT and SPA conflicts with LE/MIL forces
- POACHER SERE training experience

Assessment

- It Is Assessed That

- All TF 201 operations will occur in a denied area
- YUKON has procured a safehouse for POACHER
- The safehouse is the target designated OBJECTIVE MAGNUS
- YUKON may utilize anti- or counter-surveillance
- MoT will take possession of POACHER for a limited time
- MoT will house POACHER in a rural site away from public
- A small contingent of approximately 8 MoT personnel may be at OBJECTIVE MAGNUS as security
- MoT, YUKON, and SPA forces will be alert for hostile forces
- Raising alert level of YUKON or MoT to surveillance activities will increase defensive posture
- POACHER may attempt an escape if opportunity exists
